# IMPACT REPORT 2022

“

I am not sure if donors to KidSport realize or see the impact they make by donating time, energy or money to the KidSport program. I would like to tell you that you are making a difference in children’s lives – you have opened up many children’s eyes and given them an opportunity to be on a team which is an amazing opportunity for them. It has helped to change my life and I am grateful that you are making a huge impact on kids’ lives across our province.

## MESSAGE FROM THE CHAIR

I cannot say thank you enough to our dedicated volunteers and generous donors and sponsors.

Without your continued support, KidSport Saskatchewan could not fulfill our mission of giving kids the opportunity to experience the positive benefits of sport.

KidSport has risen above any challenges faced due to disruptions caused by the COVID-19 pandemic. Demand for registration increased in 2022 with \$1,055,941 in grants supporting 4,661 children and youth in Saskatchewan!

Through your work, kids continue to get off the sideline and into the game. KidSport is able to provide grants to children and youth, while fostering leaders, increasing student success and well-being and reducing barriers to access.

Our success is your success. With your continued support, KidSport will continue to grow and help So **ALL** Kids Can Play!
